1/8 Mile Dial In Time 6.50 seconds and slower

Payouts will be based on tech cards sold at each race up to the regular normal payouts for other ONDR classes

2026 NOSTALGIA OPEN CLASS RULES OPEN

Any vehicle which qualifies in 1 of the above 4 classes can run in Open.

This is unstructured, with no prizes or points. It will be called each time the other classes run.

Dial ins are required on all cars once eliminations start.

Can be used for test and tune, practice, licensing, and match/grudge racing with others for fun.

Groups may have their own special races within the class.

Racers who sign in to one of the 4 classes above may switch to Open after losing in eliminations.

Those who spend the whole day in Open will pay for a tech card. Those who switch after being eliminated in their main class do not pay anything extra.
